Sir,

I have met with representatives from RWAs in Indiranagar 1<sup>st</sup> and 2<sup>nd</sup> stage and attach their memorandum herewith.

The playground, I understand is the ONLY open space available for these residents and two large High schools with college. I also understand that by law a structure of the sort cannot be built in this playground.

So kindly reconsider the proposal to build an indoor stadium on the BBMP playground and request you to issue directions to the concerned authorities.

Thanking you,

Yours sincerely,

(Dinesh Gundu Rao)

Govt. of Karnataka,
